

## Connecticut-Westchester Mycological Association Walk Schedule for 2010

Walks begin **9:30 a.m.** Directions and walk leaders are listed below. Handy equipment includes a basket, wax paper and/or wax paper bags, a small knife, a whistle, a magnifying lens, and an insect repellent containing Permethrin (non-toxic) or DEET for tick protection. The walks are followed by a communal lunch and a mushroom identification session. Bring your lunch (and something to share) and a mushroom manual to help with the identification of our finds. (COMA cannot be responsible for mushroom identification.)
