

Species list for Vernooypkill Falls mushroom walk, Aug. 14, 2004  
Compiled by Barbara Plume

*Pseudohydnum gelatinosum*

[http://www.cx.sakura.ne.jp/~kinoko/01eng/pseudohydnum\\_gelatinosum.htm](http://www.cx.sakura.ne.jp/~kinoko/01eng/pseudohydnum_gelatinosum.htm)

*Hydnum repandum* [http://www.mykoweb.com/CAF/species/Hydnum\\_repandum.html](http://www.mykoweb.com/CAF/species/Hydnum_repandum.html)

*Chloriciborium aeruginascens*

<http://www.uoguelph.ca/~gbarron/SAC%20FUNGI/chloroci.htm>

*Leotia*

*Lubrica* [http://home.att.net/~e.kuznik/Leotia\\_lubrica.htm](http://home.att.net/~e.kuznik/Leotia_lubrica.htm)

*Viscosa* [http://www.mykoweb.com/CAF/species/Leotia\\_viscosa.html](http://www.mykoweb.com/CAF/species/Leotia_viscosa.html)

*Climacodon septentrionalis*

[http://www.swefungi.se/PAGES\\_AC/Climacodon\\_septentrionalis.html](http://www.swefungi.se/PAGES_AC/Climacodon_septentrionalis.html)

*Fomes fomentarius* [http://botit.botany.wisc.edu/toms\\_fungi/dec2001.html](http://botit.botany.wisc.edu/toms_fungi/dec2001.html)

*Laccaria amethystina* <http://www.nybg.org/bsci/res/hall/amythest.html>

*Xylaria polymorpha*

[http://www.bluewillowpages.com/mushroomexpert/xylaria\\_polymorpha.html](http://www.bluewillowpages.com/mushroomexpert/xylaria_polymorpha.html)

*Trichoglossum farrowii* couldn't get a picture of this. any alternatives??

*Clavaria vermicularis*

[http://www.mykoweb.com/CAF/species/Clavaria\\_vermicularis.html](http://www.mykoweb.com/CAF/species/Clavaria_vermicularis.html)

*Clavulinopsis fusiformis*

[http://www.bluewillowpages.com/mushroomexpert/clavulinopsis\\_fusiformis.html](http://www.bluewillowpages.com/mushroomexpert/clavulinopsis_fusiformis.html)

*Lactarius*

*Hygrophoroides* [http://www.mtsn.tn.it/russulales-news/tx\\_photos.asp?index=379](http://www.mtsn.tn.it/russulales-news/tx_photos.asp?index=379)

*chrysoeus* Couldn't find a good picture – only from Japan which didn't look like ours

*Gomphus floccopus* <http://www.evergreen.edu/mushrooms/phm/s67.htm>

*Cantharellus*

*Cibarius* <http://www.nybg.org/bsci/res/hall/cibarius.html>

Tubaeformis / infundibuliformis  
[http://www.bluewillowpages.com/mushroomexpert/cantharellus\\_infundibuliformis.html](http://www.bluewillowpages.com/mushroomexpert/cantharellus_infundibuliformis.html)

Minor <http://www.asahi-net.or.jp/~cs3y-smy/hinaannzu2.htm>

Craterellus fallax  
[http://www.bluewillowpages.com/mushroomexpert/craterellus\\_fallax.html](http://www.bluewillowpages.com/mushroomexpert/craterellus_fallax.html)

Cortinarius iodes <http://www.nybg.org/bsci/res/hall/iodes.html>

Amanita

Brunnescens  
[http://www.bostonmycologicalclub.org/Checklist2001/Amanita\\_brunnescens.html](http://www.bostonmycologicalclub.org/Checklist2001/Amanita_brunnescens.html)

1

Flavoconia <http://pluto.njcc.com/~ret/amanita/species/flavflav.html>

Fulva <http://pluto.njcc.com/~ret/amanita/species/fulva.html>

Rubescens <http://pluto.njcc.com/~ret/amanita/species/ruberube.html>

Virosa [http://www.cx.sakura.ne.jp/~kinoko/01eng/amanita\\_virosa.htm](http://www.cx.sakura.ne.jp/~kinoko/01eng/amanita_virosa.htm)

Omphalotus olearius [http://botit.botany.wisc.edu/toms\\_fungi/oct97.html](http://botit.botany.wisc.edu/toms_fungi/oct97.html)

Tremella mesenterica  
[http://www.mykoweb.com/CAF/species/Tremella\\_mesenterica.html](http://www.mykoweb.com/CAF/species/Tremella_mesenterica.html)

Marasmius rotula  
[http://www.bluewillowpages.com/mushroomexpert/marasmius\\_rotula.html](http://www.bluewillowpages.com/mushroomexpert/marasmius_rotula.html)

Pleurotus ostreatus [http://botit.botany.wisc.edu/toms\\_fungi/oct98.html](http://botit.botany.wisc.edu/toms_fungi/oct98.html)

Scutellinia scutellata [http://www.mykoweb.com/CAF/species/Scutellinia\\_scutellata.html](http://www.mykoweb.com/CAF/species/Scutellinia_scutellata.html)

Phylloporus rhodoxanthus <http://www.polaris.net/~annep/FloridaFungi/phyllopo.html>

Lycoperdon pyriforme <http://leda.lycaeum.org/?ID=11946>

Scleroderma citrinum  
[http://www.bluewillowpages.com/mushroomexpert/scleroderma\\_citrinum.html](http://www.bluewillowpages.com/mushroomexpert/scleroderma_citrinum.html)

Tricholomopsis platyphylla [http://yngwie.org/slideshow/trich\\_plat1.jpg](http://yngwie.org/slideshow/trich_plat1.jpg)

Coltricia perennis [http://rwn.boom.ru/fungi/Coltricia\\_perennis\\_e.html](http://rwn.boom.ru/fungi/Coltricia_perennis_e.html)

Boletaceae

Gyporus castaneus <http://www.bioimages.org.uk/HTML/P30151.HTM>

Strobilomyces floccopus

[http://www.bluewillowpages.com/mushroomexpert/strobilomyces\\_floccopus.html](http://www.bluewillowpages.com/mushroomexpert/strobilomyces_floccopus.html)

Suillus pictus [http://www.bluewillowpages.com/mushroomexpert/suillus\\_pictus.html](http://www.bluewillowpages.com/mushroomexpert/suillus_pictus.html)

Tylopilus alboater <http://www.mushroomthejournal.com/coma/ey/Tylopi237.html>

Felleus <http://www.bioimages.org.uk/HTML/P143910.HTM>

Helvella

Calostoma cinnabarina

[http://light.gotdns.com/gallery/fungi/Stalked\\_Puffball\\_in\\_Aspic\\_fungus1\\_CNF0001](http://light.gotdns.com/gallery/fungi/Stalked_Puffball_in_Aspic_fungus1_CNF0001)

Hygrocybe [genus also called Hygrophorus, by actual mycologists, not just by us!!]

coccinea [http://www.mykoweb.com/CAF/species/Hygrocybe\\_coccinea.html](http://www.mykoweb.com/CAF/species/Hygrocybe_coccinea.html)

miniata [http://www.mykoweb.com/CAF/species/Hygrocybe\\_miniata.html](http://www.mykoweb.com/CAF/species/Hygrocybe_miniata.html)

Russula

Virescens

[http://www.bostonmycologicalclub.org/Checklist2001/Russula\\_virescens.html](http://www.bostonmycologicalclub.org/Checklist2001/Russula_virescens.html)

Emetica

[http://botit.botany.wisc.edu/images/veg/Oak\\_Forest\\_2/Russula\\_emetica\\_mushroom.VK.html](http://botit.botany.wisc.edu/images/veg/Oak_Forest_2/Russula_emetica_mushroom.VK.html)

Brevipes [http://www.mykoweb.com/CAF/species/Russula\\_brevipes.html](http://www.mykoweb.com/CAF/species/Russula_brevipes.html)

Paxillus atrotomentosus

[http://www.cx.sakura.ne.jp/~kinoko/01eng2/paxillus\\_atrotomentosus.htm](http://www.cx.sakura.ne.jp/~kinoko/01eng2/paxillus_atrotomentosus.htm)
